## EQUAL OPPORTUNITIES MONITORING FORM

The Prospect Hospice will provide equal opportunities to all employees and job applicants and will not discriminate either directly or indirectly on the grounds of race, colour, ethnic minority, nationality, national origin, sex, marital status, disability, sexual orientation, religion or age.

In order to help the Prospect Hospice monitor our equal opportunities, we ask you to fill out the form below. We have asked for your name so that monitoring can take place both at the short listing for interview and appointment stage. Once an appointment has been made, the data given on this form will be stored on computer anonymously and the form will be destroyed.

You may of course decide not to answer one or any of these questions, but if you do respond, all answers will be treated in confidence and will be used solely by the Human Resources department to provide statistics for equal opportunities monitoring. The monitoring form does not make up part of your application, and will therefore be segregated from it on receipt and stored separately. You can always mail this separately if you wish.
